Dr. (Mrs.) ShashikalaGurpur, Director, Symbiosis Law School, Pune, Dean, Faculty of Law, Symbiosis International University, delivered a special lecture on - Anatomy of Law on 20-08-2018.

Report

Dr. (Mrs.) ShashikalaGurpur's lecture was a marvelous exposition of professional skills which a law student must inculcate in order to think and act as a lawyer. She also made an analysis of how analytical skills are essential and must be used regularly in order to sharpen them, as they will disintegrate if not made use of. She spoke on the need to study law, how to develop oneself during student days and the importance of English as a link language and an effective medium of communication. She expressed that law students should be well versed in understanding and applying law and how to go about in a case analysis. Speaking on the importance of the role of a lawyer in society, she said that it is the only profession which is mentioned in the constitution. Besides, she said that a lawyer has to be more responsible towards society and his/her answers have to be validated.

Prof. (Dr.) C.S. Patil, Dean KSLU, Hubballi, delivered the Presidential remarks. Dr. RatnaBharamgoudar, Registrar I/c and Dr. G.B. Patil, Registrar (Eval.) I/c, faculty and students were present.
