Dear University Coordinators/Admins/Nodal Officers of ShodhShuddhi,

As you are aware that New Plagiarism Detection Software (PDS) under ShodhShuddhi project i.e. DrillBit-Extreme, is being provided to all the HEIs, from 01 October 2023. This includes a one-month trial period, treated as a migration phase, during which all users were migrated/transitioned to the new PDS software.

As per the suggestion of the eSS Sub-Committee, it is suggested to conduct a survey to evaluate the performance of the DrillBit-Extreme Plagiarism Software after three months of usage. Since you have been using DrillBit-Extreme for the past three months, we kindly request your honest feedback about the software through the shared questionnaire. Your input will play a crucial role in our decision-making process regarding the further course of action.

All Coordinators are requested to fill the questionnaire without fail by clicking on the below link and submit within 10 days latest by 10th February 2024.
