ABOUT THE UNIVERSITY:

The Karnataka State Law University was established in 2009 with the avowed object of providing quality legal education in the State of Karnataka. It is only one of its kind and unparalleled in India. It is making all out efforts for the growth of legal education in Karnataka by including appropriate components to professionally orient the students. The University has catered to the needs and requirements of legal education by bringing uniformity in administration of curriculum across the State, providing appropriate optional courses for horizontal mobility. It is the single largest affiliating Law University in the country affiliating 106 law colleges spread over the entire State of Karnataka and operating its own Law School at the main campus in Hubballi.

The vision of the University is "To transform Karnataka State into a legally conscious society, by providing quality legal education that is professionally competent and socially relevant so as to realize the constitutional primordial goal of social, economic and political justice and secure human rights to every common man. It strives to promote the culture of law and justice in the institutions of state, non-state organizations and every individual by providing informal legal education, training and legal service. Above all, inculcate in every one a spirit of high moral and human values." In this endeavor, the University is making all out efforts through academic and extension activities to realize the vision. The activities of the University are reinforced by its mission to inter alia strive for excellence in professional legal education and research and establish responsible institutions and produce altruistic individuals.

ABOUT THE FACULTY DEVELOPMENT PROGRAMME:

A well-equipped faculty is the strength of any University. To provide opportunities to enhance the capabilities of the faculty members, the University periodically organizes seminars, symposia, workshops, etc. apart from encouraging research activities. In addition, the University publishes three professional law journals. To bring the faculty members in contact with the scholars of national repute in specialized areas, the University has conceived a series of week-long Faculty Development Programmes. The first one in the series is in the area of Public Law from 3rd to 9th August, 2020.
