Process of Curriculum Design

In order to enrich the curriculum and syllabi of the Programmes offered at under graduation and post-graduation level, the University upgrades the syllabus of the Law courses offered from time to time. In this connection, statutory meetings like Board of Studies, Academic Council and the Syndicate are held and decision are taken on the majority opinion, subject to the Bar Council of India and UGC Norms in upgrading the syllabus. However, this enrichment process will not be complete in the absence of the feedback of stakeholders like students, faculty members, parents, and alumni on the curriculum & syllabi offered. Hence, the feedback from these stakeholders are collected, analysed and actions are taken wherever it is necessary.
