

INTRODUCTION

The Government of Karnataka with a desire to make the study and research in law more systematic, society oriented and to inculcate among citizens a sense of concern for the law and the institutions of State, has established Karnataka State Law University through the Karnataka State Law University Act, 2009 (No. 11 of 2009). From the inception the University is striving to provide quality legal education which is professionally competent and socially relevant. It is endeavouring to promote the culture of law and justice in the institutions of State, Non-Government organizations and every individual through various programmes.

VISION

To transform Karnataka State into a legally conscious society, by providing quality legal education that is professionally competent and socially relevant so as to realize the Constitutional primordial goal of social, economic and political justice and secure human rights to every common man. Strive to promote the culture of law and justice in the institutions of State, Non-Government organizations and every individual by providing informal legal education, training and legal service. Above all, to inculcate in everyone a spirit of high moral and human values.

MISSION

To produce law graduates and post graduates who will inspire and lead the community by putting 'service' before 'self'. Strive for excellence in professional legal education. Promote research activities to create basis for making law and legal institutions socially vibrant. Spread legal literacy and legal aid to the poor and needy with a view to take justice to the doorsteps of common man. Provide training to the members involved in the governance of the state, legislators and judiciary to sensitize them in matters of law and justice. Above all, work as a catalyst in inculcating a sense of faith among people of Karnataka in the institutions of law and justice to realize the goals of social welfare.

The Karnataka State Law University aims to educate the populace on a realistic tone, close to the life, kindling socio-legal consciousness, enhancing marketability, unveiling employment openings by infusing better outlook and approach. Placing reliance on indigenous socio-political-legal system, but with a comparative approach, studying the legal system of other countries is the unique feature of the University. This aids the pupil to have strong base both at national and global front, to face any challenges effectively and efficiently. Thus, the University has commissioned its activities with a slogan **"Indian Roots & Global Heights"**.

LOCATION

The seat of the University is in the midst of hillocks, on a sprawling 52 acres of land, in Hubballi-Dharwad Corporation limits on the main road connecting the twin cities at Navanagar, Hubballi.
