Process of Curriculum Design

In order to enrich the curriculum and syllabi of the Programmes offered at under graduation and post-graduation level, the University upgrades the syllabus of the Law courses offered from time to time. In this connection statutory meetings like Board of Studies, Academic Council and the Syndicate will be held and the decision of the majority opinion, subject to the Bar Council of India and UGC Norms will be considered in upgrading the syllabus. However this enrichment process will not be complete in the absence of the feedback stakeholders like students, faculty members, parents, and alumni on the curriculum & syllabi offered. Hence the feedback from these stakeholders are collected, analysed and actions were taken wherever it is necessary.
