**ANNUAL REPORT 2018-19**

## FOREWORD

Karnataka State Law University with its headquarters at Navanagar, Hubballi was established in January 2009 under the Karnataka State Law University Act, 2009, (No.11 of 2009) as a Peoples' University. Its' aspiration is to provide quality legal education, totally socially relevant and accessible to everyone. KSLU is a mono faculty University having 107 Law Colleges under its affiliation and having jurisdiction over the entire Karnataka State.

The University Library has acquired quality books and good number of volumes of reports to meet the requirement of students and members of faculty. The Library has facilities of wi-fi and subscribed online data basis like West Law India, HeinOnline, Manupatra, etc. for the students. The Library has been automated using an integrated Library Management System. Library holdings can be searched using the Online Public Access Catalogue.

The Examination wing is housed in an exclusive building. It has adopted modern technologies for conducting examinations and valuation work, to keep confidentiality and to give fair and quick results to the students.

At present the University offers 3 year LL.B., 5 year B.A., LL.B., B.B.A., LL.B., Integrated and Honors Courses and LL.M. with specializations like Constitutional and Administrative Law, Corporate and Commercial Laws. Some PG Diploma and Certificate courses are also taught. Many Ph.D. students are engaged in doing research under the guidance of learned teachers of KSLU.

The University has established the College Development Council (CDC). It is headed by a Director, who is responsible in overseeing the day to day work and co-ordinates this, with all the affiliated colleges and requests the colleges to submit proposals for grant under various schemes of University Grants Commission (UGC). I am happy to indicate that many Colleges have already been enlisted under Section 2(f) and 12 B of UGC Act, 1956.

The NSS wing of KSLU has done tremendous work in the rural areas by arranging camps like Tree Plantation, Rain Water Harvesting, Blood Donation, Health Check up and Election Awareness in the nearby villages and helped the villagers in overcoming their day to day legal hurdles by giving legal aid service and advice. Similarly, the SC/ST Cell is doing wonderful work by providing necessary assistance in getting scholarship, studentship and the Government share of the OBC students' EBL charges etc. and genuinely looking after the welfare of the concerned students in co-ordination with the District Social Welfare Department. The Legal Cell is established to look after the cases filed against the University in the courts and to safeguard the interest of the University by using the services of panel advocates nominated by the University. A special mention should be made about the

Directorate of Students' Welfare of the University who is making every effort to conduct Seminars, Symposia, Moot Courts, Conferences, Debate, Elocution Competitions and Youth Festivals, extracurricular and extension activities etc. for the students during the academic year. There is one girls hostel and one boys hostel well maintained by KSLU.

The Right to Information (RTI) Cell has been established and a nodal officer is nominated for the Cell. The Cell is working effectively and many successful replies have been sent to RTI petitioners and some of the cases heard by the State RTI Commissioner are also attended to by the concerned University officials. Further, a Women's Grievance Redressal Cell is established in the University. The Cell is headed by a senior woman faculty. The Cell has been taking steps to watch and ward the well being of women staff and students in the campus. In addition, the Information Communication Technology Cell (ICT Cell) has been maintaining the University website and Computer Lab for the students. Over the years the Cell has been successfully conducting video conferences between the KSLU and Universities outside India and initiating the various Central Government projects like National Knowledge Network, for the mutual benefits of our students.

The Sports Section is headed by a Director of Physical Education and has been successfully conducting Inter-Collegiate Tournaments for Men and Women students of affiliated Law Colleges. The Sports Section is also looking after all the sports activities of the University as well as colleges. The students of the University have excelled not only in studies but also in sports.

The University has established its own Law School where many curricular and extracurricular activities are carried on. In the preceding One year the Law School has organized many Seminars, Conferences, Moot Courts, Workshops, Legal Aid and Clinical Programmes in association with the Government Departments and NGOs of the country.

Besides scholarships, the University has instituted other Endowment Prizes, Gold Medals, Cash Prizes and other Prizes for meritorious students. A few of them are instituted by some eminent law firms, companies and individuals which are given at the time of the Convocation.

The University is bringing out KSLU's Law Journals regularly since 2013. It contains contributions by Former Chief Justices, Academicians and well known Scholars in the field of Law. The Student Law Review, KSLU's Sports and Entertainment Law Journal Amruthavahini- the KSLU News letter have been brought out.

I express my deep appreciation and congratulations to the teaching and non-teaching staff of KSLU in helping us to provide a safe, peaceful and conducive environment for research and learning and for having dedicated themselves to this divine mission.

Dear Vice Chancellor,

Greetings from NAAC!

I am glad to inform you that the outcome of the Assessment and Accreditation (A&A) exercise of your institution has been processed and approved by the Standing Committee constituted by the Executive Committee to examine the peer team reports and declare the accreditation results. Your institution has been **Accredited** with a **CGPA of 3.18** on a seven point scale at **A Grade** valid for a period of five years from 05/11/2016. The result is already uploaded on NAAC website. The original certificate of accreditation with the quality profile will be dispatched to the institution in due course. I am sure that the detailed peer team report handed over to you during the exit meeting along with the quality profile will enable the institution to initiate further quality enhancement measures.
