IQAC has contributed significantly for institutionalizing the quality assurance strategies and processes by constantly reviewing the teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals.

IQAC has taken a number of quality enhancement initiatives in accordance with its mandate in line with government directives and other authorities.

The IQAC had laid down its plan of action and is working for achieving its implementation. The effort is made to hold regular IQAC meetings and it has also regularly made available minutes of its meeting to all stakeholders.

Some of the works undertaken with the initiative of IQAC include the following:

Improvement in the Teaching learning process- The faculty members have been trained with regard to the use of technology and development of online courses.

Improvement in examination and evaluation system.

Improvement in feedback system.

Curriculum development.

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post accreditation period, it channelized all efforts and measures of the institution towards promoting its holistic academic excellence. IQAC members conduct regular meetings to assess the activities of the previous year.
